- 4) Board Member and Chair Reports

Treasurers Report Alice Scroggins reported that there is \$33,920.44 in the club bank account. She also reported there was a small profit made from the sale of burgers at our fun tournament and that we have 8 new members since March 1st.

Alice also brought up that the ball retrievers purchased last year are inadequate. She would like to purchase the same kind that they have at Palm Creek. Alice also requested to be able to purchase new magnets for the bulletin board. She made a motion to purchase 2 new ball retrievers and the magnets for a maximum of \$275.00. Seconded by Gerry Bertrand. Motion moved.
- 5) Vice Chair Report – Bruce Kautzman requested that there be a board meeting before the fall schedule starts November 1st. We will send out a notice closer to the date as to when this will happen.

Please look for a new summer schedule to be posted soon.

It was reported that Paddles Up is working well for the 3.0 and 3.5 groups. It is a simple concept, in that when you arrive your paddle goes to the back of row. If you see that one row has more paddles in it common sense tells you to put your paddles in the other row. Once you have finished playing your game, the top row is for the 2 winners of the game and the bottom row is for the 2 losers. Paddles up is used when there are too many people for Round Robin.

Alice moves that Bruce's Report be accepted, seconded by Shelley Glass. Motion moved.

- 6) At Large Board Member Gerry Bertrand reported that there are no special activities planned for the summer. Friday Night Lights will continue again around the middle of October. He would like to see us sell Mission Royal Pickleball tee shirts again, so we will look at that in November. We will also look at dates for another fun tournament to be held in 2023. Gerry made a motion to accept his report and it was seconded by Alice Scroggins.

Ratings – Sheila Gunthorpe

Nothing to report since last month.

Training – Tony Catrine Lessons will continue through to the end of April as long as there is still interest. The times will remain the same.

Motion to adjourn the meeting was made at 5:15 by Gerry Bertrand and seconded by Alice.
