

## ***Mission Royale Pickleball Club Scoop***

### **NEWS –**

Virginia Sanchez has decided to resign as the rating chairperson for our club. The board would like to thank Virginia and her husband, Sel, for all the work they have done the last couple of years. Both of them have spent countless hours evaluating and helping club members in trying to attain a higher level of play.

### **OPEN POSITIONS –**

Our club therefore is now actively recruiting for a new “Rating Chairperson”.

The rating chairperson is responsible for coordinating all activities related to ratings; scheduling testing dates, skill testing and round-robins for candidates.

If you're interested in helping the club and filling this position, please send your info (name and contact information) to [missionroyalepickleballclub@gmail.com](mailto:missionroyalepickleballclub@gmail.com) or talk to one of our board members.

We are also looking for members to assist the rating chairperson. Ideally it would be good if we could get representation from all levels of play to assist the rating chairperson. Therefore, whether you helped out in this capacity in previous years or have never participated in rating evaluations, please consider giving your name to help out.

### **LESSONS –**

The board is also excited in having Harlan Lundstrom as our lesson/drill sessions coordinator. Harlan is a Certified Professional Instructor and he has a wealth of experience as a high-level player and instructor. Again, whether you were involved with lessons in past years or not, please consider helping out in this capacity as well. Lessons/drills sessions will be starting in October so more information is to follow on this.

### **EVENTS –**

Our member at Large, Carrie, is already planning a welcome back social in early November to kick start the peak season. If you are interested in volunteering or have ideas for this event, email [cgeorge1487@gmail.com](mailto:cgeorge1487@gmail.com).

In the meantime, enjoy summer play, have a safe summer and look forward to the upcoming season.
